To Whom it May Concern:

It is my pleasure to write a recommendation of Franchise Contractors for their expertise in building Kinetic Sports Club, a 50,000 square foot upscale fitness and recreation facility located in Pelham Manor, NY.

As the Director of the facility I worked closely with the Franchise team on all aspects of the club's construction and they were consummate professionals who listened to our needs, adjusted quickly when we changed course, and made many smart recommendations to us that truly made our vision come to fruition.

What was truly remarkable in working with Franchise was their ability to adhere to what others would have said were unrealistic deadlines. The team worked tirelessly to ensure the club opened exactly on our projected opening date, and did so without compromising on the quality of their workmanship.

I recommend Franchise Contractors without hesitation. Feel free to contact me with any questions.

Sincerely,
