To Whom It May Concern:

Subject: Letter of Recommendation for Franchise Contractors
45 Knollwood Road – Suite 101, Elmsford, NY 10523

It is my pleasure to provide this Letter of Recommendation on behalf of Franchise Contractors. I have only recently had the opportunity to work with Franchise Contractors on the Bedford Hills Firehouse project, in Bedford Hills, NY, which is currently under construction.

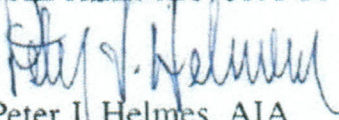

My experience with Franchise has been nothing but positive. They have been extremely professional in every manner including well organized paperwork, their professional interaction with not only our firm as Architect, but with the Owner as well as the other four (4) Prime Contractors involved with this project.

From the Project Superintendent who is on the job daily, to the Project Manager and Principals in the main office, I would highly recommend Franchise as a General Contractor. Their scheduling of the work, knowledge of construction, quality of workmanship and overall good communications with the entire project team, makes them a pleasure to work with.

I have no reservation in recommending Franchise Contracting and would look forward to working with them again on future projects. If you have any questions or would like to discuss my recommendation and reference on Franchise Contracting, please do not hesitate to contact me.

Very truly yours,

THE HELMES GROUP, LLP

Peter J. Helmes, AIA
